LAKE SUPERIOR

It’s the backdrop to our city and a part of all we do. When you spend time in Duluth, there are endless ways to be part of this great lake.

Start the day watching the sun rise over beautiful blue water, see waves crashing against the rugged shoreline, cruise the lake and take in the view or sip a local beer brewed from the lake’s clear cold water.

GREATEST OF THE GREAT LAKES:
With more than 10% of the world’s fresh water, Lake Superior’s 3 quadrillion gallons are home to 80 species of fish and 350 shipwrecks.

ON THE SURFACE:
31,280 square miles, 350 miles east to west

BELOW THE WATER:
483 ft average depth and 1,333 ft at deepest point
