EMBRACE THE CHILL

when you experience our beautiful city during winter.

OUTSIDE ADVENTURE Enjoy the sparkling landscape while taking advantage of a vast array of trails for cross country skiing, snowshoeing or fat tire biking. Explore the wilderness over miles of snowmobile trails, or hit the slopes for downhill skiing, snowboarding or tubing. Try something new, ride a dogsled, go skijoring or ice climbing – the options are endless.

WINTER ON THE WATER Lake Superior is spectacular, especially dramatic “sea smoke,” formed by cold air moving over open water. Take in stunning icy vistas formed by sheets of ice breaking up along the shoreline, or visit the sparkling snow-kissed banks of the rivers.

STAY WARM AND COZY When it’s time to warm up, we’ve got you covered. Downtown Duluth’s skywalk system lets you explore and controlled comfort.

**GALLERIES** Duluth is a city that appreciates and supports the arts and artists. Art galleries and museums dot the hillside featuring local exhibits, as well as work from around the globe.

SOMETHING’S BREWING

Duluth has a long history of brewing craft beer, and that tradition continues today. We’re a big part of the Lake Superior craft brewing scene and home to a variety of local artisans creating an ever-increasing supply of unique beer, cider and spirits.

LOCAL BREWS Stop by one of the local breweries to see what’s on tap – it’s always changing. Plus, local craft beers are served throughout the city in restaurants, pubs and entertainment venues.

TAPROOM TOURS Many breweries offer public tours or have a guide service to arrange an in-depth tour. The Duluth Experience Brewery Tour is a great way to go behind the scenes and sample skillfully brewed beers.

CRAFT BEERS, CIDER + COCKTAILS In addition to Duluth breweries, there are several regional breweries to sample as well. Pick up a “Drink in Duluth” card at a local brewery and collect stamps from each location for a chance to win free drinks and prizes!
WHERE THE SHIPS ARE

The Port of Duluth-Superior has been the backbone of our economy for over a century. We’re the world’s largest, farthest inland seaport.

Marked by two historic lighthouses, the shipping pier in Canal Park is one of the most popular visitor attractions. At the entrance to the Point. Time your visit right, and you can watch as the bridge deck rises to allow massive ships to pass underneath.

CRITICAL CARGO Nearly 900 vessels visit each year. Coal, iron ore, grain, limestone, cement, salt, wood pulp and equipment are the principal cargoes. The Duluth shipping season typically runs from late March through January.

DON’T MISS THE BOAT A current shipping schedule is available on www.harborlookout.com

SCENIC DRIVES

NORTH SHORE SCENIC DRIVE Begin in Canal Park and follow Lake Superior’s sweeping shoreline 154 miles to the Canadian Border. Along the way, breathtaking cliffs and North Shore beaches are bordered by the Sawtooth Mountains. Rivers and streams forge dazzling waterfalls as they make their rocky way to the big lake.

HIGHWAY 61: ALL AMERICAN ROAD The road that takes you “up the Shore” was designated as one of the most beautiful drives in America by the National Byway Center. No wonder. As one of the country’s most fabled thoroughfares, this vintage stretch of road is full of natural splendor and dotted with small-town mom-and-pop shops beckoning you to peek inside.

VETERANS EVERGREEN MEMORIAL HIGHWAY This colorful alternative to I-35 has been known as the “scenic route to Duluth” for decades. Highway 23, Veteran's Memorial Highway, follows the scenic St. Louis River from Duluth to Askov through Jay Cooke and Banning State Parks. It's a perfect “Sunday Drive” any day of the week.

SKYLINE PARKWAY It’s one of Duluth’s treasures: a 25-mile byway that uniquely showcases the city from end to end with spectacular views of Lake Superior and the St. Louis River. Rising 700 feet above the city, the parkway winds along the lake's prehistoric shoreline: through the woods west of Spirit Mountain, past Enger Tower, over a dozen tumbling waterfalls, across Hawk Ridge and down the secluded boulevard known as Seven Bridges Road to Brighton Beach.

BOB DYLAN WAY Duluth is the birthplace of Bob Dylan. Bob Dylan Way winds 1.8 miles through downtown from 5th Avenue West to 15th Avenue East, incorporating a portion of old US Highway 61. Hunt for the Dylan-themed manhole covers.
