Our family loves Duluth! Our favorite thing to do is watch the boats and ships go under the Aerial Lift Bridge. We do so many other things when we visit Duluth, too!

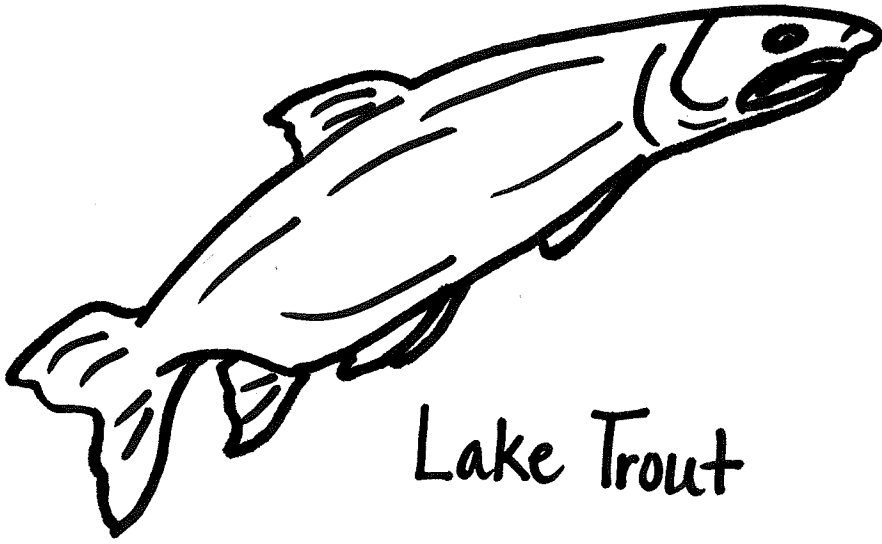

The ships are huge! We love watching them come in when we are on the Lakewalk in Canal Park.

It's so fun to walk to the lighthouse at the end of the pier.

When we climb to the top of Enger Tower, we can see the whole city of Duluth!

Lake Trout

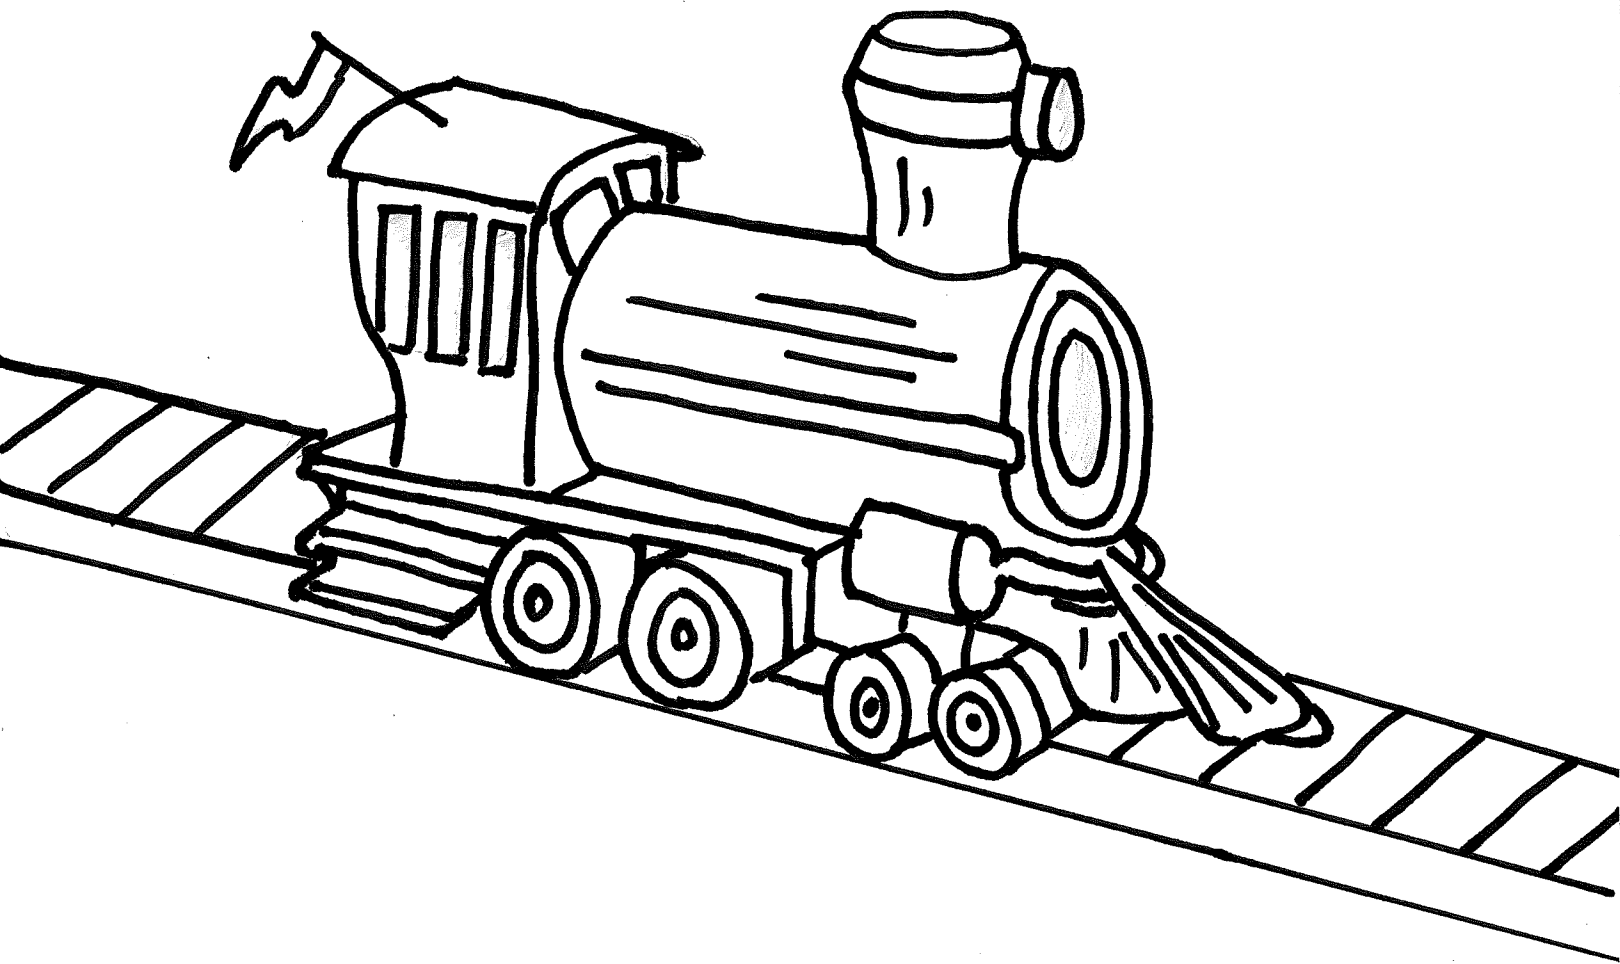

Pot-Bellied
Seahorse

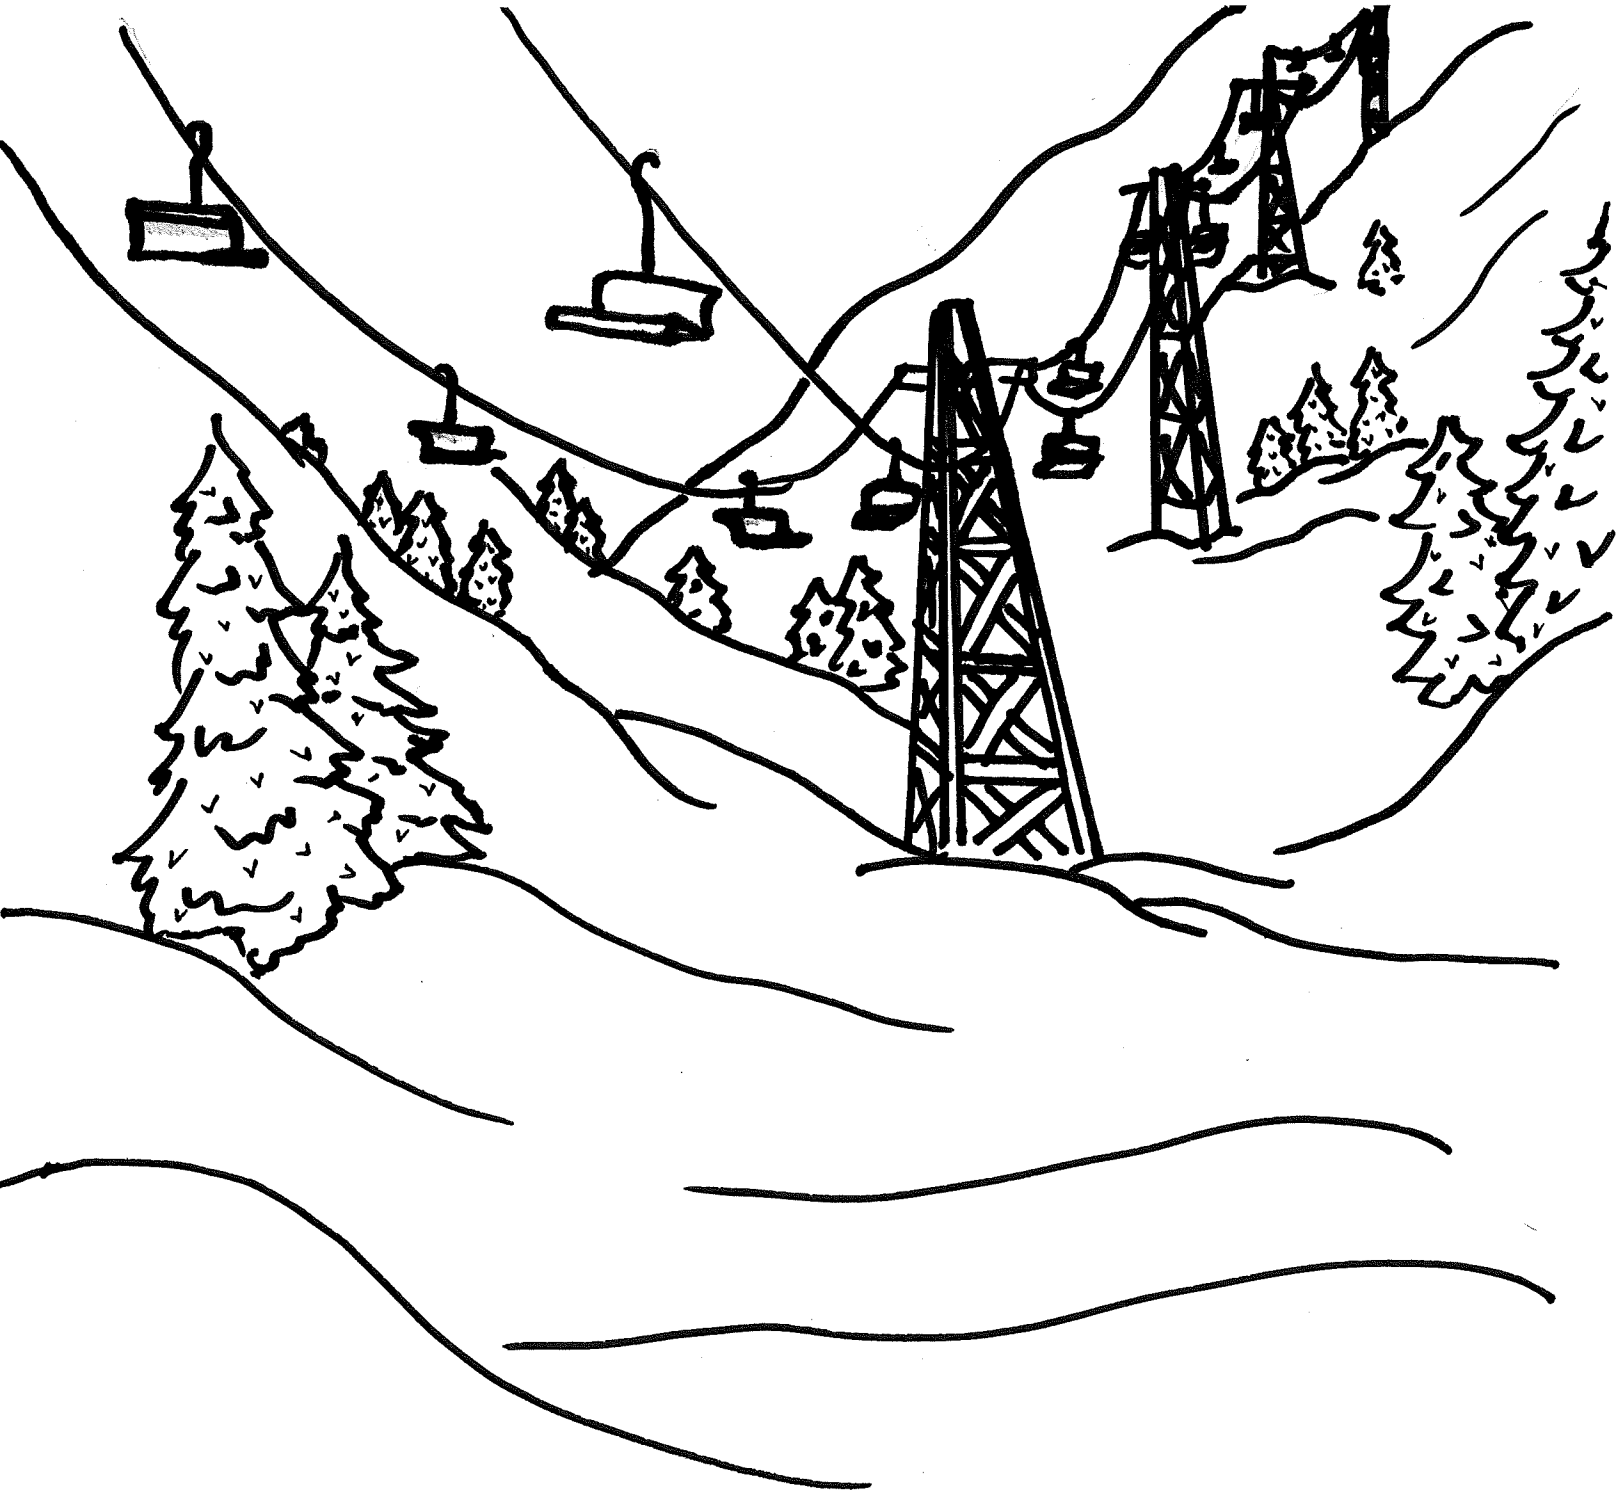

River Otter

We love to see all the interesting animals at the
aquarium.

The trains at the depot are so cool to see.
They even let you walk inside them!

The best part about winter in Duluth is
the downhill skiing!

Visiting Duluth is great any time of year!
